

DYNAMIC PEARL GENERAL TRADING LLC

# CATALOGUE 2022 - 2023

## **ABOUT US**

Dynamic Pearl General Trading LLC was formed in 1996 to serve high quality and tasty confectionaries around the world. Founded in UAE, Dynamic Pearl Group's products are now exported to 82 countries across South Asia, Middle East and Africa. Dynamic Pearl Group specializes in bubble gums, biscuits, candies and other similar confectionary products. In this short span of time, Dynamic Pearl Group's success can be attributed to Dynamic Pearl Group's drive to constantly innovate and enhance its product range, while ensuring that each product consumed delivers the same amount of pleasure every time.

Through extensive product research we have developed a wide portfolio of sweet confectionaries that satisfies our customers' sweet cravings. Our mission is to create value for all internal and external stake holders in a sustainable streamlined manner, while continuously enhancing the experience our core products deliver.

## **OUR VISION**

To be the leading confectionary company of UAE that has presence across all international markets with products that are the primary choice of every consumer segment.
